Continuum of Care™

CONTRACT PORTFOLIO

We are pleased to bring you one of the most extensive and competitive purchasing portfolios available today. Through our relationship with Premier, we are able to provide members with access to a \$83 billion purchasing portfolio comprising over 3,000 contracts through more than 1,460 suppliers.

The strong relationships that our contract experts have built with suppliers and manufacturers yield exceptional pricing as well as advantageous purchasing terms. By leveraging our expertise and Premier's purchasing volume, we continue to build our portfolio by negotiating new contracts that cater to the markets we serve.

TABLE OF CONTENTS

This directory contains a sampling of our membership's most frequently used contracts. We add new contracts daily, so make sure to check with your representative or log on to Premier's Supply Chain Advisor at premierinc.com before you make any purchasing decisions to make certain that you are taking full advantage of our discounts.
